# Jennifer Baugher

I'm from the fruit trees and yucky pond scum, harsh winter months, and summers full of stinging mosquitos and jellyfish.

I'm from my Dad's mobile planes and my Mom's vegetable gardens.

From scraped knees, banged up bones, and the deepest kind of splinters imaginable. I am from Stones, Zeppelin, & Floyd... all the classics.  
I'm from Disney's Mickey Mouse and crew.

I'm thrived from the Baugher & Smith trees - rooted as on with the unification of my parents.

I'm from the "I'm older - superiority"  
From the "I'm youngest having anything"  
And I love you, spankings, and butterfly kisses.

I'm from age sixteen and all four seasons  
Fall Football Games  
Winter Snow Angels  
Spring Rainfall  
Summer Sun

I'm from here,  
Unsure of where there is...  
but hoping that one day "there" will take me somewhere.

~ Jen Baugher

Our dearest Jenny,  
You are definitely on your way to "somewhere."  
We could not be more proud of you and your accomplishments as you journeyed to "there"....

We Love you Deeply,

## *The Path to a Dream*

The path to a dream is paved with sacrifices and lined with determination.

And though it has many stumbling blocks along the way

And may go in more than one direction, it is marked with faith.

It is traveled by belief and courage, persistence and hard work.

It is conquered with a willingness to face challenges and take chances,  
to fail and try again and again.

Along the way, you may have to confront doubts, setbacks and unfairness,

But when the path comes to an end,

You will find there is no greater joy than making your dream come true.

a real "peach"  
Her goal is well worth

Smiling faces she's
